Hi Tuhin,

This is your final reminder—your TKS **Application Hub** account will be **deactivated within 48 hours**. If you'd still like to secure your spot in the program, now is the time to act.

Final Steps:

Complete these actions with your parent/guardian before your account is closed:

1. Log into the **Application Hub** to confirm your enrollment.
2. Review your offer letter with your parent/guardian.
3. Select your cohort and time.
4. Choose your payment method.

Confirm Enrollment

Once your account is deactivated, you'll need to reapply next year if you want to join TKS.

Questions? Just hit reply—I'm here to help.

Hope to see you at TKS,
Jen
